CRESCENTS FIVE IS DEFEATED

Fredericksburg Wins Red-hot Basketball Game.

Washington Boys Outclass Home Team in Passing, but Lucky Goals Turn the Tide.

Special to The Washington Herald.
Fredericksburg, Va., Jan. 29.—The Fredericksburg basketball team defeated the Crescents of Washington here to-night in the best exhibition of the indoor pastime ever played in Fredericksburg, by 15 to 10.

The game had just the tinge of roughness to keep the spectators on their feet throughout the contest. The Washington five led by four points up until the last two minutes of play, when a beautiful spurt gave the locals the victory. Never during the whole forty minutes of play was there a lull in the game, the losers outlasting the locals at the passing game, while the locals won out on superior shooting. The line-up and summary:

Fredericksburg	Positions	Crescents
Frederick	Left forward	Burns
Frederick	Right forward	Dodd
Frederick	Center	Martin
Frederick	Left guard	Starn
Frederick	Right guard	Whitney

Shannahan and Green, two pool players on the Terminal Railroad Y. M. C. A., will engage two of the Brunswick men, and John Ryan will endeavor to defeat their best checker player.

ARRESTS MADE FOR SWINDLE.

Scranton Man Lost \$15,000 in an Old Game.

Wilkesbarre, Pa., Jan. 29.—Charged with swindling Fritz Holzmaier, of Scranton, out of \$15,000 by the fake prize-fight game at Bridgeport, Conn., and at Boston, F. J. Keenan and William Brown were arrested here to-day and held under \$5,000 bail. Later a civil suit for \$15,000 was started against them for the same amount. Keenan was also arrested on the charge of being a pickpocket, but was discharged by Alderman Pollock.

The men are two of the three who yesterday avoided trial for conspiracy to defraud A. Suttie, a Chicago real estate dealer, by returning to him \$3,000 which, it is alleged, they got from him here recently by the same fake prize-fight game.

FEARS JEM DRISCOLL BISSELLE IS ON TOP

Leach Cross, New York Boxer, Has "Cold Feet."

CORBETT IN THE GAME AGAIN

Denver Light-weight Takes on New Lease of Life Again and is Coming to New York to Meet All Comers. Having Likely to Be Killed on the Pacific Coast by Walker Bill.

New York, Jan. 29.—After watching the remarkable exhibition of science displayed by Jem Driscoll, the English feather-weight champion, in his bout with Johnny Marto, at the Fairmont A. C. on Thursday night, Leach Cross, the East Side light-weight, who had practically agreed to box Driscoll here, was suddenly seized with an attack of cold feet.

In arranging the details of the match it has been partially agreed that Driscoll and Cross would weigh 135 pounds at 6 o'clock, but when Driscoll had beaten Marto with consummate ease, Cross hunted up the Englishman's manager, and declared that he wanted to have the scaling put back at 5 o'clock or about five hours before entering the ring. Driscoll's manager, however, said it must be 6 o'clock or there would be nothing doing, and there the matter rested to-day.

In deciding to sail for England on February 20, Driscoll will lose a chance to pick up a small fortune in this country. But it appears that for the last six years Driscoll has taken part in a boxing tournament for charity at his home in Cardiff, Wales, on the first of March, and he does not intend to be absent.

Western ring followers who have seen all the great pugilists perform during the last twenty-five years, say that Driscoll is undoubtedly one of the most scientific boxers that ever pulled on a glove.

Young Corbett, who appears to have taken a new lease on life, says he will return to this city very soon prepared to meet all comers.

Announcements from Sacramento are to the effect that not more than five senators will vote against the Walker anti-race track bill when it comes up for final passage. This means that the California races are doomed, and that millions of dollars interested in the turf on the Coast will be burned up.

INNOVATION FOR MIDDIES.

Indoor Track and Field Meet Booked for February 18.

Special to The Washington Herald.
Annapolis, Md., Jan. 29.—An innovation in athletics at the Naval Academy will be introduced on February 18, when the Midshipmen will hold an indoor field and track meet.

Vance D. Caspary, manager of the track team, is arranging for the meeting, and the Midshipmen have become much interested. Not only from the general standpoint, but the meet will serve to bring out the new material from the four high class preparatory for the outdoor events in the spring.

The gymnasium offers fairly good advantages for such a meet, and it is expected it will be a great success. There will be contests in the following events:
Twenty-yard dash; quarter, half, mile, and five-mile runs; high jump, pole vault, and shot put.

PLAYS VIRGINIA FIVE.

Georgetown Basketball Squad Off for Charlottesville To-day.

To-night the Georgetown University basketball team is scheduled to meet the crack five representing the University of Virginia.

The game will be played at Charlottesville, in the gymnasium of the Orange and Blue college, and the contest should prove to be a hard struggle from start to finish.
The local collegians have one of the best five in the history of basketball at the Hilltop University, while the quintet from Virginia have acquitted themselves remarkably well for the number of games played.

Last year the Blue and Gray boys were easily victorious in two contests, one at Charlottesville, by a score of 34 to 20, the second at Convention Hall, in this city, 56 to 24.
The Georgetown squad will leave this morning for Charlottesville, and the following will take the trip: Capt. Rice, Kelher, G. Collier, Schlosser, J. Collier, Kingsley, Cokes, Cogan, also Assistant Manager Digkes and Prof. Maurice A. Joyce.

Don't miss the Sunday sporting news in The Washington Herald. Among many of the features will be a special story written by Tom Longboat, in Indian.

These following the boxing game will be interested to hear how Tommy Lowe comes out against Billy Whistler in Baltimore Monday night. Whistler is wonderfully clever, but cannot hit hard enough to break a piece of glass.

Read the Bingville Bugle in the Sunday edition of The Washington Herald, it's funny.

Charles (U. S. A.) Roth, the Press Club Heavy-weight, has been asked to lead the band during the Longboat race in Convention Hall to-night. "Silver Heels" and "Rainbow" will be popular selections. Charley will be there with the rest of the Indians.

We notice that "The German Oak" won his wrestling bout in Gotham last Thursday night. It's a good thing he did, or the New York papers would by this time be calling him "The German Joak."

FAT MEN ARE STILL IN LEAD

Virginians Finish Easy Second—McCarthy Loses Close Game by Seven Pins—Programme for To-night Booked with No Five-man Team Features—Results of All Matches.

By HARRY KRAUSS.

In the fifth night's bowling of the city tournament no changes were made in the five and two man standings, although in several instances the high marks in these squads were in danger of being topped.

The most notable performance of the evening was that of Bisselle, who took the lead in Class B singles, with a grand total of 535, beating McCarthy seven pins. A 233 game in his last contest placed the navy yard man at the top of the list.

The Fat Men have, through the poor showing of the Commissioners, the only team which was left in Class A to shoot, clinched first money in the premier squad, while the Pilgrims have also won out in Class C.

The Virginians were counted a dangerous possibility, and, although they failed to beat the high mark of their fellow-leaguers, they finished an easy second. To-night the programme is somewhat changed, there being no five-man teams scheduled.
